Introduction

Dunbar High School, a Title I School, in compliance with Part A of the *Every Student Succeeds Act (ESSA)*; creates, develops and disseminates jointly with parents a school-parent compact. The implementation of the School-Parent Compact will strengthen the connection and support of student achievement between the schools and the families. The school-parent compact guides how parents, school staff, and students will share the responsibility for improved student academic achievement. In addition, the way in which we all work together to build and develop a partnership to ensure that all children achieve the State Standards on assessments.

Purpose

The purpose of the compact is to foster the development of a school-family relationship to help all children achieve the State Standards.

Policies and procedures

It is Dunbar High School responsibility to provide a high-quality curriculum and instruction in a supportive and effective environment that enables children to meet the State's student performance standards. As part of that commitment, the school must address the importance of communication between parents/guardians and teachers on an ongoing basis through such efforts as parent teacher conferences, frequent reports to parents/guardians on their child's progress, reasonable access to staff, opportunities to volunteer and participate in their child's class, and observations of classroom activities, along with participating in the local school parent organization (SAC/PTO).

The compact will be disseminated at our SAC/PTO meeting for review in April. Staff from each school and parents will have the opportunity to make all the necessary changes by May and everything will be approved by the September meeting.

The school will post a copy on our web site and parents will receive their copies in the opening of school packet. Additionally, a signed copy of the compact will be stored in the front office.

Documents to support compliance:

- A sample of our School-Parent Compact
- Evidence of the notification/dissemination of School-Parent Compacts
- Evidence of parent’s involvement in the development of School-Parent Compact (e.g., meeting agenda/minutes, written guidance, correspondence, etc.)

Sincerely,

Mr. Carl C. Burnside
School Principal
