

Principal's Message

Tiger Families,

It is amazing that we are now in the springtime of the school year. I am so proud of the hard work that has been put forth as we continue to excel on the local, state, and national levels. Our JROTC program recently earned various awards at the County Drill Competition with the female team capturing second and qualifying for the State Drill Competition.

Among our many advanced technology programs, I can truly say the skills that students are learning in the cybersecurity courses are above and beyond the computer courses you see at other high schools. The Dunbar CyberPatriot team recently captured 3rd place in Florida. We also continue to excel in the Microsoft Championships by competing in a new season, as we now have our 25th Certiport Microsoft Office Specialist Florida State Champion: both Isabel Liu and Carson Mulvey earned 1st place in Florida and have qualified for the 2022 Microsoft Office National Championship! Additionally, our Technology Student Association (TSA) finished 5th in the state at the 2022 Florida conference in Orlando. They are headed to Nationals in Dallas, Texas!

Furthermore, our Math Team is currently ranked 2nd in Region 4 of Florida, which encompasses high schools from Tampa to Naples, trailing fellow national powerhouse Tampa King High School. We are proud of our Math Team students, as they continue to be recognized as one of the top Math Teams in the nation.

Over the next few weeks, we will be adding 8th grade students for the 2022-23 school year, while our current seniors are in the process of completing their legacies as Dunbar Tigers. That includes putting the finishing touches on their academic coursework; preparing for IB and AP testing; acquiring more industry certifications; and making decisions about their post high school plans including college, career, and military. I am very proud of the work put forth by both students and staff to what has been a very successful year thus far. I continue to look forward to the achievements that will occur here at Dunbar, where "Achievement is the Expectation!"

Carl C. Burnside, Principal

"Proud Principal of Dunbar High"

Mission Statement

Dunbar High School will cultivate young individuals who will possess a conceptual understanding of local and global situations through inquiry and collaboration. With a focus on developing the holistic individual, Dunbar High School will promote the skills of communication, research, self-management, deep-thinking abilities, cultural awareness, and technological innovation to ignite students' passion for lifelong learning, achievement, and interpersonal relationship-building, preparing its students for success in global competition.

We would like to welcome those joining the Dunbar High Staff:

Tiarra McCray (English & Avid)

IB Information

What an exciting time of year this is for our seniors! We are wrapping up course work and preparing for IB assessments in May. We are excited to learn of the many college acceptances of our students and their plans post-graduation.

Juniors are developing their topics and conducting research on their Extended Essays and Reflective Projects. They are also planning and executing their CAS and Service Learning. Juniors should work closely with their teacher mentors on these projects.

The Freshmen and Sophomores are exploring their academics through some of their electives and registering for courses for next school year. Sophomores are deciding whether to pursue the CP or DP path for their Junior and Senior years. Freshmen and Sophomores should also be building community service hours towards Bright Futures Scholarship requirements. More information about Bright Futures can be found on our website:

https://dhs.leeschools.net/our_school/school_counseling/bright_futures

We are delighted to extend a great big welcome to all of the class of 2026 Tigers who recently accepted their seat in the DHS IB program! Congratulations, and welcome to our Tiger family!

Finally, a big thanks goes out to 11th grade student Hailey Romero for creating the great graphic for new IB shirts. They can be purchased for \$20.00 from Mrs. Baisch.

If you have any questions or concerns regarding IB, please contact Mrs. Baisch at 239-461-5322 or GayleLB@leeschools.net.

It's Scholarship Season!

The Foundation for Lee County Public Schools is offering numerous scholarships to current seniors. Seniors will be required to complete a one-time online application to determine eligibility and ultimately submit through their system. The deadline to apply is March 31st depending on the scholarship. <https://leeschoolfoundation.org/scholarships/>

Dr. Allen B and Elizabeth W Shevach Academic Scholarships

The Dr. Allen B and Elizabeth W Shevach Academic Scholarship offers up to four (4) \$5,000 scholarships to Dunbar High School Seniors who plan to attend an accredited College or University approved by FLCPS. This scholarship, made possible through the generosity of Elizabeth W. Shevach, is to be awarded in the spring of 2022. The deadline to apply is March 31st. <https://leeschoolfoundation.org/scholarships/>

College Fairs

The NACAC Virtual College Fairs are a great opportunity to explore colleges around the country. During these virtual fairs, students can hold a quick video chat with a college admissions counselor, view college presentations, and much more! Be sure to register online well before each fair date. <https://www.nacacattend.org/fairs>
